Mr Jack J. Brown, 9312 Wildhaven, Dallas, Texas, advised that his in-laws, Mr and Mrs Ja Yates, Grapevine, Texas, telephone number BUtler 9-3192, were neighbors of Jack Ruby. He stated that about two years ago Jack Ruby built a log cabin on the water front across the street from Mr and Mrs Yates. After the construction was completed, Ruby spent a lot of time at the lake, however, as time went on, he only visited occasionally and mostly on weekends. Ruby for the most part entertained men at this cabin.

Mr. Brown could furnish no additional information.

Only Jack Brown in the files cannot be the one referred to in 1937. He is former branch mgr of the Amer Guild of Variety Artists in Dallas and on the stage as a musician called himself Alton Shaye — or vice versa. The reports indicate both.
